

Technical drawing of a rectangular structure, possibly a door or panel, showing dimensions and components. The overall width is 11' 8". The width of the central opening is 11' 2". The overall height is 6' 0". The height of the central opening is 5' 6". The structure features a central vertical divider and two circular components (possibly wheels or rollers) on the left and right sides. A small rectangular component is located on the central divider. A dimension of 3" is indicated on the left side, likely representing the thickness of the structure.

[illegible]

Notes:

1. Tank is 4000 psi concrete - steel reinforced
2. Concrete conforms to ACI 318-16-4.5.1 and ACI 318-16-4.5.2
3. Tank complies with all requirements of NJDEP Chapter 199 7:9A-8.2
4. In an effort to continually improve our products, Merishon Concrete reserves the right to change product design without notice.
